1 Timothy 2:1-4

Dear Friends,

It's time for the annual Tampa Bay Leadership Prayer Breakfast, now in its 39th year! As we seek to honor and glorify our Lord, CBMC will again be hosting an event with the primary purpose of drawing folks to a saving knowledge of Jesus Christ. As always, we are eagerly preparing for the day business and community leaders will come together in unity and prayer.

Our date will soon be announced for May, 2010, as we create a forum for prayer to cover our community and national leadership. In the process, we clearly present the Gospel and give an invitation. We've been doing it for 38 consecutive years here in Tampa Bay. And last year's event was no different.

It was May 12, 2009 at the A La Carte Pavilion, where our speaker, Norm Miller, Chairman of Interstate Batteries, shared his tremendous testimony and allowed the Holy Spirit to use him to encourage 16 people to make first-time commitments to Christ, and another 21 to re-dedicate their lives to Christ.

Every person who elects to record their decision for Christ on our table cards is contacted by CBMC members, whose chapters continue to offer growth opportunities through bible study programs like *Operation Timothy* and *The Truth Project*, which debuted this summer at several area YMCA locations.

As we look forward to our 2010 event, we view these economic times as an opportunity for our true and awesome God to show His goodness and mercy. And, as a practical response, CBMC is offering for the first time the opportunity for our Gold Level sponsors to make multiple payments over a period of months.

We hope you will take advantage of this opportunity now, and partner with us in sharing the Gospel in such a unique format. We have heard over and over how this breakfast has been the only time many business men and women have ever heard an invitation to accept Christ.

Our prayer for you and yours this coming year is that we will have more stories of Kingdom impact multiplied. In fact, our commitment to this evangelical effort will take on a new look this season as we have created built-in measures to assist you with filling your table(s) at your request.

The Prayer Breakfast is a not-for-profit event made possible by you – The Tampa Bay Faithful.
